

HIGH SCHOOL IMPRESSIONS

*What was your first impression as you entered the school?

*How were the facilities? Describe how that influences your impression of the school. Think about the libraries, computer labs, science labs, sports facilities, art studios, theaters, classrooms, cafeterias, student lounges, halls, bathrooms, and neighborhood.

*Discuss your impressions of the teachers. Consider whether the teachers were interested in the subject matter. Could you imagine feeling comfortable working with the teachers?

*Did the teachers explain things in a way you could understand? Explain your answer. Did the students seem comfortable with the teachers? Why or why not?

*What is your impression of the students? How did they act in class? Did they seem engaged in the curriculum? Were they nice to one another? Were they nice to you?

*Can you see yourself attending this school and doing well? Why or why not?

*Can you see yourself attending this school and enjoying it? Why or why not?

*Do you think you would feel safe and secure at this school? Why or why not?

*What did you learn about the school that is exciting to you?

*What did you learn about the school that surprises you or is different than the impression you had before visiting?

*If you were to go to this school, what kinds of things would you want to participate in?
