

Dear Burke's Families:

Welcome to the Burke's Parent's Association 2010-2011. I hope you all had a restful summer and are ready for another great school year. Burke's Parents' Association plays a crucial role in supporting the school with volunteers, ideas, planning and participation in school fundraisers.

As a Burke's parent or guardian you know that you have chosen an incredible school at which to educate your girls. What you may not know is that you are also an automatic member of the Parents' Association. We are proud of the work that we do, the level of competence and professionalism shown by our parent body and its commitment to the school, administration, faculty and our girls - for whom this is all for.

This year I am thrilled to announce that we will be going back to monthly Parents' Association meetings. Each month we will have a one hour meeting to discuss current PA and school business. The majority of our meetings will take place in the lunchroom, starting with our first meeting on September 13, when we will welcome back coffee and cake! At several meetings we will have featured speakers on a number of important topics including school finances and the new math program that is being introduced this year. Our monthly meetings will also provide an opportunity to keep everyone apprised of what's happening at school and for our Family Festival, Dinner Auction and other committee chairs to share the plans for our great school events and to let us know all the ways that we can help and participate.

Let us all work to make 2010-2011 another wonderful year at Burke's!

Please feel free to [contact me](#) with any questions or suggestions regarding the Parents' Association. I am excited about working for you and with you this upcoming year. I look forward to seeing you around campus and at the Parents' Association meetings,

Warmest regards,

[Michelle Hackett](#)

2010-2011 Parents' Association President
