

## Notable Children's Books: Picture Books

Call numbers begin with E

Unpaged books with 32 pages per book

Illustrations on every page

Evaluate the text and the illustrations together: how well do the illustrations work with the text.

## Notable Children's Books: Easy Fiction Books

Call numbers begin with Fic and first page inside the book will have one of the following:

Blue dot – Beginning Chapter Books

Yellow dot – Lower School fiction

Paperbacks not cataloged will have call numbers that begin with PB and a purple dot on the outside of the book.

## Notable Children's Books: Non-Fiction

Books with a call number or B for biography

Is this a readable book? Not just a compilation of facts

Is the information accurate? Are there discrepancies with the information?

You will need to look at another source of information on that topic/person (an encyclopedia-print or online is a great source.) Place your citations in your NoodleTools folder that contains your citations for your book covers.
